

Life In 78 Cards

NUMEROLOGY AND TAROT – 0 - 10

Number	Keywords	Life Phase
0	Potential, circle, all and nothing at once.	The moment before conception.
1	Beginning, start, thought meets material, potential acted upon, you have what you need.	The point of conception.
2	Partnerships, relationships, duality, competition, comparison, balance, choices.	The pregnancy. When the fetus grows inside of the womb. Hidden growth.
3	Feminine, care, the mother, team, cooperation, looking forward and backward, nurturing, sometimes "three's a crowd".	Birth and the phase where the child is reliant on the Mother figure.
4	Masculine, square, structure, form, (sometimes) rigid, secure, safe, organization, boredom, rest, attainment.	The phase where a child gets more discipline and structure in his life and is more in touch with the Father figure.
5	Chaos, confusion, struggle, the mid-point, testing boundaries and thoughts.	The phase where societal rules and mores come into play. Also, the child is exposed to religion, ethics, and his culture.
6	Choice, calmness, fond memories, recognition, victory, purpose, generosity, balance in give/take.	The phase where a person starts becoming interested in love and partnership. Need to choose between desire and conservative values.
7	Taking control, meditation, forward motion, movement, growth, making decisions, motivation (good or bad), looking out for one's self.	The phase when a person becomes comfortable with choosing his/her own destiny.
8	Changing focus or direction, discovering power, moving on, movement, discipline.	The phase when a person realizes that choosing his/her destiny gives him power and that urges can be controlled.
9	Completion, success, satiety, endings, luck, wishes, pause, reflect, prepare for the next step.	The phase where information and wisdom gained through the former phases of life are contemplated. Taking time to stand alone. Enlightenment and sharing of enlightenment.
10	End of one cycle, beginning of another. Excess. Realization of highest goals.	The phase where a person can either rely on Fate to move him or take the wheel himself. Oftentimes, this is the start of the next level in life, growing from a child to a mature adult.

Life In 78 Cards

THE ELEMENTS AND TAROT

Element	Tarot Association	Meaning
Earth	Pentacles, Coins	Material in nature – money, security, home, property, career. Stability or solidity.
Fire	Wands, Batons	Passion, motivation, drive, ambition, friendship, desire. Burning flames.
Water	Cups, Chalice	Love, friendship, feminine, emotion, psychic, intuition, relationships. Flowing. Still waters run deep.
Air	Swords	Intellect, thought, analysis, ideas, communication, law, science. Thoughts can either harm or help. It's a double edged sword.

The Elements And The Zodiac Signs

If you are familiar with the Zodiac, you know that the signs are also organized according to an elemental association. The distinctions are as follows:

Element	Zodiac Association	Tendencies
Earth	Taurus, Virgo, Capricorn	Grounded and goal oriented. Focused on career and stability.
Fire	Aries, Leo, Sagittarius	Passionate. Leaders and trailblazers. Focused on innovation and standing up for others.
Water	Cancer, Scorpio, Pisces	Emotional and intuitive. Focused on relationships and spirituality.
Air	Gemini, Libra, Aquarius	Intellectual and communicative. Focused on personal freedom and liberation.
